The Town and Country Village Transportation Development District (TDD) was organized in October 2009 and is located in the City of Ozark. The TDD was formed for the purpose of constructing roads, parking facilities, and site lighting and utilities near Highway 14 on North 25th and North 22nd Streets, as well as constructing West Diane Street. The Missouri Department of Transportation and the City of Ozark are the public entities with jurisdiction over these ongoing projects. Taxable transactions within the TDD are subject to a 1-cent sales tax. For the areas audited, we identified no significant deficiencies in internal controls, no significant noncompliance with legal provisions, and no significant deficiencies in management practices and procedures.
